Killearn Country Club is a peaceful and tranquil retreat set in the heart of picturesque Tallahassee, Florida. Built in 1967 and known as a staple in the community, Killearn Country Club is now member owned and undergoing major renovations as of 2021. We are excited about the rebuilding of our beloved country club. To experience our renovation and transformation process in real time, stay updated on our website and social media accounts for the latest and greatest news on our progress.

Voices for Florida is a statewide non-profit with a long history of teaming with others to create transformational change for vulnerable children. Voices for Florida's latest innovation is the Open Doors Outreach Network, a 24/7/365 network of care and treatment for sex trafficked children and young adults.

Whole Child Leon (WCL) is committed to building a community where everyone works together to make sure children thrive. WCL addresses critical community issues affecting young children by advocating for policy change and incubating new ideas to improve the overall well-being of children in the Big Bend region. WCL is the Big Bend Provider for the Open Doors Outreach Network, serving sex trafficked children and young adults age 10-24.
